

Florida FDLE-Certified
FbF® LiveScan Bundle
with Green Bit DactyScan 84c

FbF® LiveScan is certified by and compliant with both the Florida Department of Law Enforcement (FDLE) and the FBI regulations and standards. It also complies with the Florida Agency for Health Care Administration (AHCA).

FbF LiveScan is an affordable live scan software application that is integrated with the Green Bit Dactyscan84c. The software is certified compliant with the FBI's latest Electronic Biometric Transmission Specification (EBTS) v.9.3 and compatible with the FBI NGI (Next Generation Identification IAFIS).

FbF LiveScan is ideal for civil registration and identification purposes with the Florida Department of Law Enforcement, such as:

- *Applicant background checks for employees, licensees, volunteers, and clients*
- *Immigration background checks*
- *Visitor Registration and ID*
- *Security Clearances*
